

Figure 1 is a schematic diagram of the experimental setup. It shows a subject seated at a table, looking at a video screen. A camera is positioned above the screen. A horizontal bar is placed on the table, with a vertical bar attached to it. The subject's hand is positioned near the vertical bar. The video screen displays the scene, and the camera captures the image. The subject is instructed to move the hand to the right, as indicated by the arrow.
